

First announcement

ElmECO -12

WoTEAM-1

XII International Conference on *Electromagnetic Devices and Processes in Ecology and Environment Protection* **ELMECO-12**

&

I Interdisciplinary Student-Doctoral Workshop on *Novel Electrotechnologies, Electronic Devices and Advanced Materials for Engineering Applications* **WoTEAM-1**

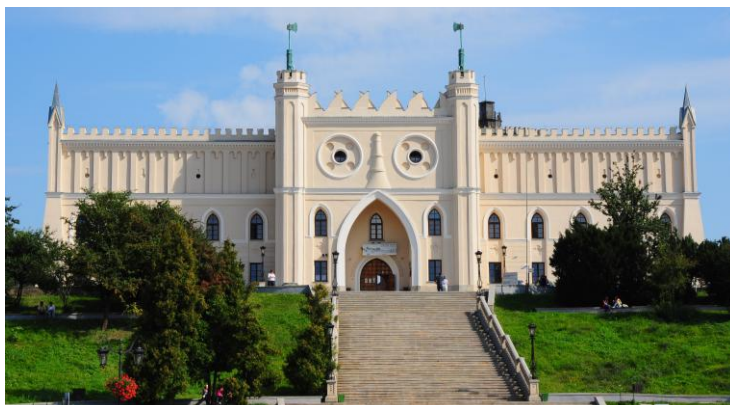

18-20 November, 2026

Faculty of Electrical Engineering and Computer Science, Lublin University of Technology, *Nadbystrzycka 38A, 20-618 Lublin, Poland*

Lublin. City of Inspiration, European Youth and Culture Capital.

Lublin University of Technology. *Leader in innovation and technology transfer in the region.*

First announcement

Important dates

Deadline	Description
September 26, 2026	Early bird registration
October 04, 2026	Abstract submission
October 18, 2026	Abstract acceptance
November 01, 2026	Conference fee payment
November 15, 2026	Full article submission
November 18, 2026	On-site registration
November 18-20, 2026	Conference

Conference topics include, but are not limited to:

- ✓ plasma and ozone technologies for treatment of air, water, soil, crop and pest control, syngas and biofuel production;
- ✓ energy saving superconducting devices and their applications;
- ✓ electromagnetic technologies in agriculture and food industry;
- ✓ all aspects of electromagnetic compatibility;
- ✓ renewable energy generation and storage, green energy;
- ✓ designing of electromagnetic devices and processes;
- ✓ novel micro- and macro materials, electromagnetic materials and properties, dielectrics, ferroelectrics, and their applicability in environment protection and energy technologies;
- ✓ biomedical, mechatronic, robotic and space technologies for energy sector;
- ✓ advanced nanotechnologies and nanomaterials relied on the electromagnetic phenomena and their properties, energy-effective nanostructures, nanofluids for heat and energy applications, functional materials.

Patronage:

This year's conference and workshop will be held under the patronage of the *Section of Electrical Engineering Materials and Technologies of the Committee on Electrical Engineering of the Polish Academy of Sciences* and the *Lublin Branch of the Low Temperature Plasma Commission of the Polish Academy of Sciences*.

Organizers:

Fundacja
InterSEC

LUBLIN UNIVERSITY
OF TECHNOLOGY
ELECTRICAL ENGINEERING AND
COMPUTER SCIENCE FACULTY

ASSOCIATION OF
POLISH ELECTRICIANS
Lublin Branch

Conference fee:

Registration Category	Student*	Regular
Early Bird	1200.00 PLN / 280 EUR	1400.00 PLN / 330 EUR
Regular	1300.00 PLN / 310 EUR	1550.00 PLN / 365 EUR
On-site	1400.00 PLN / 330.00 EUR	1650.00 PLN / 385.00 EUR
One-day participation	700.00 PLN / 170.00 EUR	
Accompanying Person	1100.00 PLN / 260.00 EUR	
Online Participation	450.00 PLN / 110.00 EUR	

*Bachelor, Master and Doctoral students may, upon the reasonable request to the Organizing Committee, be exempt from the conference fee.

PLEASE NOTE: The conference fee does not include the publication fee. To learn about the APC, please check the **Publications** page, Partner Journals section.
